

3.75%¹ Because your chequing account deserves to grow

Security, easy access and growth

Most Canadians have a chequing account that provides security and easy access to their cash. However, in exchange for security and access, most of us have given up the potential for growth by accepting a very low rate of interest. With Manulife Bank's Advantage Account, you no longer need to make this compromise.

Get more for your money with Advantage Account

Advantage Account provides you with the security and access you expect from a chequing account and also includes the growth you normally only get from a GIC or Money Market fund. With Advantage Account you can:

- Access your cash by cheque, ABM withdrawal and debit payments
- Pay bills, transfer funds and make account inquiries 24-hours-a-day online or over the phone
- Make deposits at a Royal Bank branch or at any Canadian deposit-taking ABM with THE EXCHANGE symbol
- Maintain easy access to your money since it is never locked-in and there are no withdrawal restrictions or penalties³
- Be confident that your money is safe. Manulife Bank⁴ is a wholly-owned subsidiary of Manulife Financial, one of Canada's largest and most respected financial institutions

You can have it all with Advantage Account. Contact your financial advisor to open an Advantage Account today.
