

3.75%¹ | Security and growth for your RRSP

Protect your retirement savings

You've worked hard to save for retirement. To ensure those savings will provide a comfortable retirement, it's important to strike a balance between growth and security. Manulife Bank's Registered Advantage Account provides the security of a bank account plus a high rate of interest to ensure your RRSP savings grow.

Invest for the short term

If you're not sure where to invest your RRSP contribution or if you want to shelter your RRSP savings from temporary market volatility, Registered Advantage Account is ideal as a short-term holding account. Your money will be safe and growing until you're ready to move your RRSP savings to another investment type.

Invest for the long term

Many Canadians choose to hold at least part of their RRSP savings in a low-risk investment. Registered Advantage Account, with a high, variable rate of interest, is an ideal place to invest the secure portion of your RRSP savings. Plus, since your money is never locked-in, it's easy to transfer money to and from other RRSP investments as your needs change.

Manulife Bank is a wholly-owned subsidiary of Manulife Financial, one of Canada's largest and most respected financial institutions.
